Egy új márka: LIRO. Mert minden részlet számít.

Modern formák, divatos színek és széles választék – a LIRO fogantyúkkal és fogasokkal karaktert adhatunk bútorunknak.

A LIRO fogantyú- és fogascsalád elérhető áron hozza közelebb a mai trendeket. Alkalmazásukkal új arculatot kölcsönözhetünk bármely bútornak vagy helyiségnek. A gondosan összeválogatott LIRO kollekció trendi forma- és színvilága megkönnyíti a választást.

A LIRO termékeket családokra bontottuk. Minden termék a formájára asszociáló olasz elnevezést kapott. A családnevek tehát beszédesek, könnyebben megjegyezhetővé teszik a cikkeket. A LIRO termékkörbe korábban bevezetett, közkedvelt fogantyúk és fogasok is bekerültek. Itt a családnevek mellett a korábbi kódszámot is feltüntettük.
